Thank you for the wonderful weekend. It was a huge success! I was a guest as David Belliston's wife but enjoyed every part of the reunion almost as if I was one of the class graduates! Thank you!

Keiko Belliston

Thanks for all the hard work. I had a great time at the reunion!

I meant to tell you this in person Saturday night, but thanks for all you did for making our reunion this weekend a great time. Bob Carroll and I both commented how much we enjoyed the whole experience. I felt I had better conversations with more classmates than at previous get togethers.

Thanks again for all your hard work, and compliments to all the reunion committee.

Ron Baars

It was so great to see you Friday night. It for me was truly the best reunion of all so far. I had so much fun and loved seeing everyone.

You guys did a phenomenal job on our 50th+ reunion! We had an excellent time and Saturday evening's event was extra special. I loved the added touch of current cheerleaders leading out the dinner.

I wanted to drop you an e-mail to thank you for all your hard work on the reunion.

I'm so sorry Marci and I were not able to make it. I hope you had a huge turnout and a wonderful time. We'd be pleased to be notified about the next reunion. I'll do my best to coordinate travel plans to allow us to attend.

So thanks again for everything.

All the best,
